

THE ECHO- SENIOR EDITION

Congratulations, Seniors!

High School is about moments and memories and we hope this special Senior Edition of The Echo will add to your journey as a Wildcat.

This is the beginning of a new chapter of your independence, of your voice, of your choice.

As you look forward, take a moment to look back. This issue of The Echo captures an important moment in the lives of your friends and classmates. Your high school graduation - not the event, but the whole experience of being a Senior - will stay with you for a lifetime.

Congratulations to our newspaper students who put this edition together for you.

And thank you for your contributions to our tradition as Wildcats...
